RE - QUOTATION NOTICE FOR PURCHASE OF BED SIDE LOCKER & CRASH CART TROLLEY

Sealed quotations are invited from reputed manufacturers / authorised suppliers / dealers for the supply of Crash Cart & Bed Side Locker as per the list attached 25 Nos.:

CRASH CART

Technical Specifications

Frame & Material: ABS engineering plastic with aluminium frames for corrosion resistance and easy disinfection.

Dimensions: Size 940-1550 mm (H) x 750-950 mm (L) x 475-500 mm (W).

Storage Configuration: Minimum 5 extendable, color-coded drawers or modular bins with a centralized break-away or key lock system for secure drug management.

Mobility: Mounted on 5-inch anti-static polyurethane castor wheels (at least 2 with diagonal foot brakes).

Mandatory Standard Accessories:

Height-adjustable stainless steel IV pole

Oxygen cylinder holder (G-type or B-type compatible)

Ergonomic CPR cardiac board

Defibrillator / Monitor top shelf

All-around protective corner bumpers

Utility side baskets, sharps container holder, and multi-plug electrical power strip

Hospital Bedside Cabinet / Locker

Technical Specifications:

1. General & Structural Specifications

Dimensions: Minimum 480 mm (W) x 470 mm (D) x 780-850 mm (H).

Body/Structure: Single-body high-impact ABS plastic injection-molded or SS 304 grade stainless steel (recommended for Kerala's humid climate to avoid rusting associated with CRCA steel).

2. Top & Surface Panel

Top Material: Heavy-duty ABS top with 3-side raised edges to prevent spills and item slippage.

Integrated Functions: Smooth, rounded, seamless edges for easy cleaning and high-level disinfection.

3. Storage & Storage Compartments

Pull-out Dining/Tray Board: Telescopic/sliding food tray or hidden pull-out utility board.

Upper Drawer: Smooth roller-bearing telescopic drawer for personal items and medications.

Main Cupboard/Cabinet: Ventilated bottom cabinet with a central shelf and magnetic/latch door closure.

Utility Accessories:

2 Towel Racks / Side Hooks (one on each side).

Drainage/Ventilation Slots at the base to prevent moisture buildup inside the cabinet.

4. Mobility & Support

Castors: Four heavy-duty, noise-free, non-marking swivel castors (50 mm to 75 mm diameter).

Brakes: At least 2 diagonal castors equipped with individual foot-operated total locking brakes.

1. Quotations should be in Two sealed covers

First cover superscribed "Technical cover" should include technical specifications, list of supplied-institutions with contact numbers of end users, authorization for the supply, certifications such as License, Dealership etc.

2. Second cover super scribed "Commercial cover" should include commercial terms such as Price, Warranty terms, tax if any, etc.

3. Technical details will be scrutinized by a technical committee. Technically qualified quotations will only be considered for opening of Commercial cover.

4. The quotationers if they are suppliers they should submit their authorization for supply of the quoted items from the Manufacturer

Sealed quotations addressed to The General Manager, EMS Memorial Cooperative Hospital, Perintalmanna should reach the Administrative Office of the hospital on or before 4 PM on 29th August 2026
